

15th Annual Meeting

Danish Society of Pharmacology

January 22nd, 2025, at University of Southern Denmark

The Danish Society of Pharmacology welcomes all members and other interested parties to their 15th annual meeting, entitled ***Current status and novel findings in cancer treatment***. In the tradition of society this one-day event will host a morning session with internationally recognized keynote speakers and hot topics, an award lecture with BCPT prize winner **Professor Eeva Moilanen, Tampere University** and a total of 3 workshops of targeting both pharmaco-epidemiology, basic and translational science and clinical pharmacology.

Program

09.30 Registration and coffee

10.00 Welcome: Agnete Larsen, Chair Danish Society of Pharmacology

Session 1 Chairs: Steen Ingwersen, Kenneth Skov

10.05-10.50 *Immunotherapy of cancer - current state and future prospects*,
Marco Donia, Associate Professor of Clinical Oncology at the University of Copenhagen

10.50-11.20 *Status and future of personalized medicine in cancer therapy*,
Britt Elmedal, Consultant (Oncology and Clinical Pharmacology) Aarhus University Hospital,
Associate professor Department of Biomedicin, Aarhus University

11.20-11.35 Coffee

Session 2 Hot topics, Chair: Dorte Glintborg

11.35-12.00 *Circadian rhythms and cancer therapy* Professor Frederic Gachon, Department
of Biomedicine, Aarhus University

12.00-12.30 *European joint assessments of clinical effectiveness and safety of new medicinal products* Hans Christian Cederberg Helms, Health Chief Consultant, Danish
Medicines Council

Session 3: Free oral communications Chairs: Tea Skaaby and Gregers Wegener

12.30-13.00: 3 x 10 min oral communications

13.00-14.00 Lunch

Session 4 Award lecture Chair: Agnete Larsen

14.00-14.45 Professor Eeva Moilanen, Tampere University, Finland - winner of the BCPT Nordic Prize 2023

14.45-15.30 Coffee and poster session

15.30-17.00 Session 5 Workshops – Parallel sessions

Workshop I: *Single cell pharmacology*, Associate professor Klaus Eyer, Department of Biomedicine, Aarhus University Chair: Agnete Larsen

Workshop II *Drug Approval in the EU – post-Brexit* Speakers: Steffen Thstrup CMO, EMA and Jens Heisterberg VP Regulatory Intelligence, Novo Nordisk
Chair: Kenneth Skov

Workshop III: *Methods and applications to studying medication adherence*
Speakers: Julie Schmidt and Kirsten Marie Woolpert, Department of Clinical Epidemiology, Aarhus University Chair: Tea Skaaby

This workshop will include a presentation of methods to measure medication adherence, applied examples using Danish registry data, and a discussion of methodological challenges.

17.00-17.15 Break

17.15 Awards for best oral communication and best poster: Agnete Larsen

17.30 Drinks at the poster area

18.00 Dinner at the Campus Restaurant

Organizing Committee:

Steen Ingwersen, Dorte Glintborg, Gregers Wegener, Kenneth Skov, Louisa Exner, Maija Bruun Hastrup, Marie Lund, Tea Skaaby and Agnete Larsen
